The Results Companies to Expand in Stuart, Virginia with the Addition of 200 Jobs

FORT LAUDERDALE, FL, July 26, 2016 – The Results Companies (“Results”), one of the world’s leading Customer Experience Management providers, continues to expand in Virginia with 200 jobs being added to the Stuart, Virginia location. The Results Companies will be hosting a hiring event with several open positions in Customer Service, Site Operations Management, Training, and Supervisory roles. This hiring event is set to accommodate current and future growth needs for a major medical insurance provider and Fortune 500 retailer.

“As a company, in the Patrick and Henry County area specifically, Results has experienced triple digit growth.” Said Michael Mayberry, Site Operations Director for Results Stuart location. “One of the ways we are able to achieve and sustain our growth is by hiring the best and then providing the right training, tools and opportunities to allow our people to grow their careers both locally and worldwide.”

The hiring event will take place on Thursday, August 4th from 1pm-7pm at the Stuart facility located at 105 Progress Drive, (Stuart, Virginia 24171). Results is now accepting online applications for these positions. To apply online, visit TheResultsCompanies.com/Jobs.

About Michael Mayberry

Michael Mayberry, the newly appointed Stuart Site Operations Director, has been part of the Stuart community for over three years. His 30 years in the healthcare industry, 20 years in contact center management and 5 years with Centers for Medicare and Medicaid services will ensure that the expansion at the Stuart location will be handled with great care. Mayberry commented on his excitement for the expansion of the Stuart, VA location by stating that “The Results Companies is

tremendously proud to be a part of the Stuart community and continued growth. I am honored to be leading our team in delivering upon our 'expect greater' commitment."
